Dear Sir:

Re: The Fatality Inquiries Act

This is my report to you pursuant to Section 29.1 of The Fatality Inquiries Act in respect of persons who died in the year 1982 while in correctional institutions, gaols or prisons, or while involuntary residents of institutions in the Province of Manitoba.

The attached schedules list all the deaths for the year 1982 at the Brandon Health Centre; Stony Mountain Correction Institution; Selkirk Mental Health Centre; Manitoba School for Retardates, Portage la Prairie; Winnipeg Remand Centre, Public Safety Building; Psychiatric Ward, Seven Oaks General Hospital and McEwen Psychiatric Unit, St. Boniface General Hospital.

The schedules list the age of each deceased person, the date of death, the cause to which the death was attributed in each case, whether an inquest was held, and all reports submitted under subsection 20(1) of The Fatality Inquiries Act by a Provincial Judge holding an inquest in respect to a death.

Yours truly,

Marvin Bruce

Marvin Bruce
Administrator of
